Greetings Greg.

The schedules for Peter and me are mostly open. We recently met with representatives from the Texas Department of State Health Services, Environmental Epidemiology and Disease Registry Section. They are funded by ATSDR as part of our cooperative agreement program. They would also like to meet with your team at the JFO. Their schedule is a bit more restricted. They are unavailable Thursday.

What days and times work best for you this week (Wednesday or Friday)?

Thanks.

Gary

Subject: ESF 8/ESF 10 Interface

Greetings Steve. We previously worked at the JFO in Baton Rouge, Louisiana for the Hurricane Katrina response. At that time, we collaborated on sampling data review with rapid public health review by ATSDR. Peter Kowalski (ATSDR) and I are in Austin for the Hurricane Harvey response. We would like to meet with the ESF 10 team for discussions on how to link in public health reviews. Regards.
